* = top picks for reluctant readers or readers who prefer visual/less dense texts. Includes some dyslexia friendly titles; quick-paced reads of longer books; verse novels; and graphic novels.

Note to parents: Many of these books are written for young adult readers (13+) or adults; this means there may be 'gritty' content. Generally by Key Stage 4 young people are ready for this, but parents know their children best; if you have queries about suitability, please check online reviews or ask your child's teacher.
